CoNSA Website Policy

Purpose

The Continence Nurses Society Australia (CoNSA) website exists to provide information to members, potential members, and interested parties. It serves as a means of presenting a professional and public profile through its online presence.

Objectives

The CoNSA website will:

- Provide a means of communication with CoNSA members
- Publicise details about CoNSA and its Management Committee, including name and function of the Management Committee members, and email and postal addresses for contact with the Secretary
- Publicise the purpose, mission statement, vision statement, aims and constitution of the CoNSA organisation
- Publicise CoNSA position statements
- Provide information about CoNSA events, including meetings, functions and education sessions
- Provide educational materials for members
- Advertise CoNSA publications, courses, and other services, nationally
- Assist in recruiting new members via the State branches through the provision of State branch contact details
- Publicise CoNSA competencies or standards for practice
- Provide a forum for members to make suggestions and feedback
- Post calls for CoNSA elections
- Provide links to professionally relevant websites
- Engage in other functions as determined by the CoNSA Management Committee
